

# CUBMOBILE 2010 !

Registration is changing this year! There will be a sign up sheet at Roundtable. Anyone signing up at Roundtable will receive an e-mail with the registration form and instructions/diagram pages how to build a cubmobile. The registration page can be e-mailed back, or brought to Roundtable with registration fees. No Pack is considered signed up until fees are received! All payment by check is to be made out to Pack 3619 as this is a Pack Invitational Event! We are limiting the race to the first paid 125 scouts or June Roundtable. Whichever comes first!

This year we will be asking for you to assign your scout to a specific cubmobile. Remember only 3 scouts to a cubmobile!

We will be affixing a numbered sticker to each cubmobile once it passes registration. When the scout receives his racing number lanyard that number will be also assigned to the cubmobile he is racing on. This will hopefully eliminate problems with a racer at the top of the hill waiting for a cubmobile to come back up that has just raced! No cubmobile will be allowed to race that does not have an official Cubmobile 2010 sticker! If a cubmobile breaks, then please see an official at the race results tent to change the scouts to a different cubmobile. Also, please let Helen at the top of the hill know that the cubmobile has broken as a courtesy. Changes of a scout using a different cubmobile will be restricted to only those cubmobiles that have been broken. Any other switch will be done by officials permission only!

Also, we are asking that no one block the sidewalk next to the results tent by standing there checking the race results. This is a problem for the scouts who have just finished racing trying to get their cubmobile back up to the top of the hill! Please be aware that you will be asked to move! We understand that as the race nears the end everyone wants to know where their scout stands. We have a time constraint from the village to be done (so that the people that live around the race area can have their street back!), so we are asking that you please refrain from standing on the sidewalk by the race results tent. Also, asking questions of the officials that are trying to log the latest race makes the race last longer too!

We want everyone to have a safe and fun race and these changes will hopefully ensure that happens!
